Instead of protecting Florida's women
against the growing number of rapists who use guns,
some in Congress voted to protect the
illegal gun dealers who arm them.

Who will be the next victim of Tom Feeney's voting record on illegal guns?

The facts are clear. Gun crimes are on the rise in Florida.

Just last year:

- There were **20% more rapes** committed using a firearm.¹
 - Gun **murders rose by 11%**.²
- Police recovered **17,000 guns** from crime scenes across the state.³

With crime on the rise in Florida, your congressman, Tom Feeney, voted to protect the gun dealers who arm criminals.

Tom Feeney voted to allow lawbreaking gun dealers to continue selling for 60 days even after they lose their licenses.⁴ He also supports legislation that restricts police access to vital information about gun crimes – information that would help local law enforcement crack down on the illegal gun traffickers who arm violent criminals.⁵

protecting criminals and vote YES on HR 6664

CRIME SCENE DO NOT CROSS
**17,000 GUNS WERE RECOVERED FROM CRIME SCENES
ACROSS THE STATE OF FLORIDA LAST YEAR**

**BUT THAT DIDN'T STOP CONGRESSMAN TOM FEENEY FROM
VOTING TO SUPPORT THE LAWBREAKING GUN DEALERS WHO ARM CRIMINALS.**

CRIME SCENE DO NOT CROSS

IN 2007, POLICE RECOVERED 17,000 GUNS FROM CRIME SCENES ACROSS FLORIDA!¹

But instead of supporting measures that would help keep guns out of the hands of criminals, your congressman, Tom Feeny, voted for a measure that lets lawbreaking gun dealers continue selling for 60 days after they lose their licenses.² We don't allow pharmacists who illegally filled false prescriptions to keep selling after they lose their licenses, so why would we allow that for gun dealers caught breaking the law?

Tom Feeny even voted to protect dealers who knowingly sell guns to violent gang members and suspected terrorists.³

Will Tom Feeny vote again to protect dirty gun dealers by opposing HR 6664?

Senator McCain and Senator Obama both **agree** on giving police the information they need to catch gun criminals...

Why has Congressman Tom Feeney **opposed** them?

Both Barack Obama and John McCain support getting rid of the “Tiahrt Amendment,” which prevents police from getting access to information about the people who supply criminals with guns.¹

Last year alone, police recovered 17,000 guns from crime scenes across the state.² Thirty national and state police groups have asked Congress to remove restrictions that restrict police access to information they need to identify the gun traffickers who sold those criminals their weapons³

But, your congressman, Tom Feeney, has supported extending the restrictions that keep this data from police.⁴

Instead of supporting measures that would protect us and the police who keep our streets safe, Tom Feeney supports legislation that ties local law enforcement’s hands.

Will Tom Feeney oppose police again with his vote on HR 4900?
